- are unable to pay camp registration fees and
- are of secondary school age

Financial assistance may be provided toward:

- part or full* cost of attending camp including the LYQ camp bus

* We encourage applicants to contribute what they can towards the cost of camp and travel. Full cost will only be provided to applicants in special circumstances.

2023 Ministry Focus:

This year, our Lutheran Church in Queensland is continuing its work amongst those in need, especially with families with young people where the families have limited resources. Accordingly, we are inviting applications, especially from young people from smaller congregations experiencing challenge and from young people with recent migrant family heritage. All applications are considered but particular focus will be given to applications from those in these specific situations.

Process:

To apply for assistance, please fill out the attached **Application Form**. Forward it to the pastor or chairperson of your local Lutheran congregation, or the principal of your local Lutheran school who will review the application. To be able to endorse your application, your pastor, principal or chairperson may require you to produce supporting documentation as proof of your eligibility. Please note that preference will be given to young people who haven't attended a Lutheran Youth of Queensland camp before.
