Important Information

Please pack some morning tea for your child to eat on the way to camp if you are a good distance away from camp, as they will not be stopping on the way to purchase any products.

Please note: These times stated below may vary by 15-20mins due to traffic, etc. Please ensure you are at your stop at least 15mins earlier than the time stated to ensure safe pick up of your child, as the bus driver will **not** be able to stay at the stop until you arrive. If children are not collected from bus stops within a reasonable time of their drop off time and their guardian is not contactable by phone, the child will continue with the bus to the next stop.
